Dear Parent/Carer

We are delighted to share the outcomes of our recent OFSTED inspection, which took place on 13th and 14th May 2025. The full report will be available on the OFSTED website soon but [this is a link](#) to the report and I encourage you to read it in its entirety.

We are incredibly proud that Hoe Valley School has been judged as 'Good' across all key areas:

- The quality of education: **Good**
- Behaviour and attitudes: **Good**
- Personal development: **Good**
- Leadership and management: **Good**
- Sixth-form provision: **Good**

This positive outcome reflects the dedication and hard work of our entire school community – our students, our committed staff, and having your continued support as parents and carers. The report highlights many of the strengths that make Hoe Valley School a special place, including our welcoming, friendly, and inclusive environment, where students feel happy and safe. It also acknowledges our 'circle' values (community, integrity, resilience, courtesy, leadership, and enthusiasm) which underpin everything we do.

The inspectors recognised our broad and ambitious curriculum, the strong subject knowledge of our teachers. They also commended our effective safeguarding arrangements.

While we celebrate these successes, the report also provides valuable feedback on areas where we can further enhance the excellent education we provide as a school committed to continuous improvement. We have already begun to implement strategies to address the points raised in the report. Specifically, these areas include:

- **Adapting teaching for pupils with Special Educational Needs and/or Disabilities (SEND):** We are further equipping our staff with specialised strategies and expertise to ensure that teaching consistently meets the needs of all pupils with SEND, enabling them to achieve their full potential.
- **Checking pupil understanding:** We are reinforcing practices that ensure teachers consistently and accurately check pupils' understanding of new concepts, effectively identifying and addressing any gaps in knowledge or misconceptions before moving on.
- **Consistent application of our behaviour policy:** We are strengthening the consistent implementation of our Behaviour Policy across the school to ensure that all pupils meet our high expectations, fostering an optimal learning environment for everyone.

These improvements are a key focus for us moving forward, building upon our already strong foundations. We are confident that with these actions, we will continue to provide an exceptional learning experience for all our pupils.

Thank you for your ongoing partnership and trust in Hoe Valley School.

Yours sincerely,

Mr K Kelly
Acting Head Teacher
