

Today we celebrated Wear Yellow Day, raising funds for the Bee-lieve Foundation in support of mental health initiatives. It was wonderful to see a sea of yellow across the school, with students enthusiastically showing their support for such an important cause. As always, the cake sale proved extremely popular, and we are grateful to everyone who contributed their time, effort, and delicious treats to make it a success. Miss Johnson looks forward to sharing the total amount raised in the next newsletter, and we thank everyone for helping to make a real difference in the lives of others.

Our Year 9 students have been really hands-on in Food Technology this week by learning the art of burger-making. From understanding food safety and kitchen hygiene to seasoning and shaping, they really got to grips with the task in hand and had plenty of fun along the way!

Our Year 12 Design Technology and Engineering students have been hard at work developing detailed manufacturing plans for their own lamp or chair designs — complete with scaled-down prototypes. Each student has showcased creativity and innovation through their unique concepts, and we're excited to see their designs brought to life in the next stages of the project.

On the 15th October Year 12 and 13 Art and Photography students took a trip to Wisley RHS Gardens. It allowed our lovely Sixth Formers the opportunity to further their photography and art skills. They had a really lovely time and especially liked exploring the glass house.

Next week, the PE Faculty are excited to be hosting a series of House Competitions! Throughout the week, selected students from all year groups will represent their houses in a variety of sports and team events. These are a fantastic opportunity for students to showcase their skills, teamwork, and house spirit, all while having fun and staying active. It's always wonderful to see the enthusiasm and friendly rivalry that the house competitions bring to our school community. Which house will come out on top this time? We can't wait to find out! Good luck to all students taking part, give it your all and make your house proud!

Practical mock examinations will begin next week for some of our Year 11 students. After the half-term break, the main mock examination period will commence and continue through to the end of term.

The Languages Faculty would like to remind all parents that if your child is in Years 10 - 13 and wishes to take a GCSE qualification in their Home Language, please contact Mrs Leon if they have not already done so.

We're delighted to welcome our new Foreign Languages Assistants this year:

- **Miss Vierin** from France
- **Miss Engelke** from Germany
- **Mr Morales García** from Spain

They'll be supporting students across all year groups to develop confidence and fluency in their spoken languages as well as building our international schools links with partner schools.

As we look ahead towards the half term break starting at the end of the school day on Friday 24th October, a reminder that school starts again on Monday 3rd November. Our thanks to parents and carers for your support in making this first half term of the new school year such a success.

Best wishes,
Ms Owoh

Year 9 making burgers

Year 12 and 13 at RHS Wisley

Wear Yellow Day Cake Sale

On Monday afternoon the Year 10 and 11 Netball teams took on Chertsey High School in their first fixtures of the new year. There was some great play from both teams with some very strong results. On Tuesday it was Year 8 and 9 who took on Chertsey High School. A trip in the minibus and the games were underway. The Year 9s had a confident lead and the Year 8s were gelling well as a team to demonstrate some great plays. On Thursday it was another outing for the Year 8 team, this time to Collingwood College. A strong start from the team gave them the lead and they held this throughout the match with a final result of 10-1! Well done to all the teams that played this week!

Pictured to the left, the Year 8 Netball Team at their Collingwood College match.

Dates for the diary

Autumn Term 2025

- 20/10/25 Year 11 Mock Exams
- 22/10/25 Sixth Form AirHop Trip
