Google Classroom & Summer Work

We are very aware that your child will have a long break between finishing their SATs and starting their secondary education in early September, and to keep their brains fresh, we would like to offer online learning in the core subjects; English, Maths and Science. These lessons and materials are designed to help your child successfully transition from Primary to Secondary School and keep their brains fresh throughout the Summer holidays.

Your child's individual Google sign-in details will follow by email by the end of June 2026.

If you have a Google account already, you can join the following Google Classrooms with the codes below:

- English Google Classroom Code is **dehyayc**
- Maths Google Classroom Code is **bc6l3w37**
- Science Google Classroom Code is **6b6ziqj7**

To help you understand and use Google Classrooms, [click here](#) to access the help sheet on our website. Our Heads of Faculties will post lessons and preparatory work on these classrooms for your child to complete during the Summer Term and, although there is no obligation for your child to complete this work, my advice is that whatever they do between now and arriving at Hoe Valley School in September will be hugely beneficial to their learning and preparation for Year 7.

Ms Taylor-Wareham, our Head of English has created a Summer Reading Booklet for your children to complete which will help their new teachers get to know them better. Please keep it safe and bring it with you to Hoe Valley in September. You can either print it out and your child can fill it in by hand, or they can type their responses by accessing it on the English Google Classroom. [Click here](#) to view it

Practical Tips from our Pastoral Team.

I am sure you will have lots of questions ranging from what a typical Year 7 timetable looks like to information about Independent Study and Enrichment. Our Pastoral Team have put together a Frequently Asked Questions fact sheet and Survival Guide, which you can read [here](#).

Uniform and PE Kit

You will find full details of our school uniform on the Year 6 Transition page on our website [here](#). Our uniform supplier, Valentinos of Knaphill offers a full fitting service at their shop or if you prefer you can also order uniform online on their website [here](#). Valentinos will also be bringing their School Shop to our Parents Information Evening on 30th June, and we will also have our Pre-Loved Uniform Shop open too at this same event. Please do bring methods of payment with you - both 'shops' should be accepting both cards and cash payments.

First Day of the Autumn Term

The first day of the Autumn Term for our new Year 7 students will be Thursday 3rd September 2026. Students in all other year groups will return to school on Friday 4th September 2026.

We will be in touch with you again shortly before each of these 3 events to provide you with details of the final arrangements. I look forward to meeting you all soon.

Yours faithfully,

Ms L Owoh
