

HOE VALLEY SCHOOL

DESIGN TECHNOLOGY TECHNICIAN

JOB DESCRIPTION AND PERSON SPECIFICATION

SALARY: £22,675 - £26k (actual salary) according to experience

The School

"Hoe Valley School is an inspiring environment at the heart of its community where every student's experience is personalised. Our students will learn to think independently, pursue their ambitions and achieve to their highest potential."

Hoe Valley School is:

- An oversubscribed secondary school that opened in September 2015 to serve the local community of South Woking
- Delivering innovative and exciting lessons to years 7-13
- Committed to ensuring our students leave us with excellent academic outcomes, the skills to be 'work-ready' and the traits of excellent global citizens
- Following the National Curriculum, where Maths and English are taught every day
- A Google School with ICT fully embedded in all curriculum areas
- Committed to learning which is relevant with links to the 'real world' of business, higher education and the local community
- In a state of the art, new School completed in September 2018 on Egley Road, Woking
- Committed to supporting our staff to have a good work / life balance by offering longer school holidays, bespoke CPD programmes, minimising paperwork and meetings, and ultimately by trusting our staff to deliver excellent outcomes

The Role

We are looking for a talented and rigorous Technician to join the Faculty of Design & Technology from September 2026.

Reporting to the Head of Design & Technology, the successful candidate will prepare and source (when applicable) Design Technology materials and equipment to support the learning and teaching within D&T lessons, together with maintaining D&T class and prep room, their equipment and services.

The job holder may be required to assist with other duties and departments as reasonably required. They will share the School's vision and the belief that all young people can achieve at high levels.

The School is committed to offering bespoke professional development pathways to all members of staff and would ensure the successful candidate has a development programme in place.

Role Information

Contract: Term time, Permanent

Hours: Monday to Friday 8:00-4:30pm

Salary: £22,675 to £26k actual salary (£26,508 - £30,395 FTE)

Start date: 1st September 2026

Responsible to: Head of Design Technology and ultimately the Head Teacher

Core Responsibilities

Supporting D&T Learning and Teaching

- To ensure that resources are organised and available to promote a purposeful environment for teaching and learning to take place
- To carry out and arrange for maintenance and repair of resources
- To assist the Design & Technology Faculty in maintaining a high profile across the School through offering vibrant and exciting learning opportunities
- To assist in ensuring that classrooms within the faculty present a stimulating environment through the display of students' work and other exemplar materials
- To assist in the promotion of high participation levels of Creative Arts outside of the curriculum
- To assist with order requisitions and check deliveries
- To support the teaching professional in the workshop and classrooms to ensure all health and safety rules are followed
- To follow the schemes of work for each year group in order to support staff in and around lessons
- To support students with practical tasks and giving the opportunity for more advanced work to be achieved
- To offer support for students coming back to finish work as and where necessary to meet GCSE and A-level deadlines
- To help with the organisation of the open evenings, transition days, and whole school events as required

Health and Safety

- To advise the Head of D&T or faculty staff in technical support, including health & safety guidance
- To carry out risk assessments for technician activities and to support all faculty staff in their development of risk assessments for practical activities within Programmes of Study and for classrooms To provide technical support to students, including health & safety guidance
- To carry routine inspections and monitoring of all equipment with the faculty and keep the workshop and all faculty teaching spaces well organised and tidy
- To liaise with the HVS Premises team to ensure all necessary testing and annual safety checks are carried out
- To operate safe handling and storage of all materials e.g. hazardous chemicals
- To keep all records for the department up to date and accessible (H&S, RA, maintenance etc.)

General duties

- To work as part of the overall support team of the School to ensure the School runs smoothly and effectively at all times
- To embody the School's values both on and off site
- To observe and implement current school policies and good practice
- To participate in and attend meetings and training as appropriate, including CPD days
- To support school events as required
- To embody the School's values and represent the School in a positive manner at all times
- To take an active role in their own professional development in line with performance management objectives
- To undertake such other duties as requested by Head Teacher/ Senior Leadership Team as are reasonably required as part of the role

The above list is not exhaustive and maybe subject to amendment in due course in discussion with the relevant employee.
