Student Spotlight

Two of our Year 7 students, Sufiah and Liliana, are volunteering with an animal organisation (RSPCA) and collecting wish list donations to support cats, dogs, horses, and small animals. Through their volunteering, they are demonstrating fantastic school values and community spirit. If you would like to contribute, please send items in before 4 December; donations will be collected by Miss Gomez in her office.

Turn to the A4 wishlist towards the end of this newsletter to see the items our students are collecting for the RSPCA.

Thank you for your support!

Welcome to Our November Newsletter

As we move further into the autumn term, it has been lovely to see our school community return refreshed after the October half-term break. November has been a busy and important month, particularly for our Year 11 and Year 13 students, who have begun their mock examinations. We wish them every success as they demonstrate their hard work, dedication and preparation.

We also came together as a school community to mark Remembrance Day and honour the courage and sacrifice of those who have served and those who gave their lives in conflict.

Two of our Senior Prefects read a poem studied by our Year 8 students, followed by Mr Darnell playing The Last Post. We then observed a minute's silence, brought to a close with a bugle call. It was a meaningful opportunity for everyone to pause, reflect and remember.

As we approach the festive season, there is plenty to look forward to across Hoe Valley School.

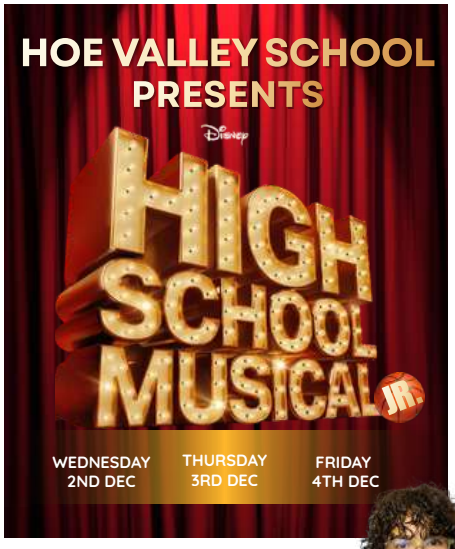

Thank you, as always, to our students, staff and families for your continued support and for making our school such a positive and thriving community.

We hope you enjoy reading about what has been happening across the school!

Year Group News

Year 7 Update

Year 7 have been working brilliantly this term, and we are love celebrating their efforts in tutor time! Every week, the top forms for House Points and Attendance win a prize, building up toward a grand prize at our End of Year Assembly.

Students are also earning Friday stamps in their Year 7 Passports for completing personal challenges to enter our End of Year raffle, while our top 10 House Point earners and 4 tutor-nominated superstars per form will soon enjoy a special Rewards Afternoon.

With our House Sports Competition just around the corner, there is plenty to look forward to. Keep up the great work, Year 7, and remember to continue making the right choices every single day!

Year 8 Update

I would like to congratulate 8OR for an outstanding attendance of 97% during the first half term! Hopefully you keep it up throughout the year! It's an exciting time coming up for Year 8, with the launch of the GCSE options process on Friday 20th November. Hopefully students came home excited about the choices they will have to make. There will be an information evening for parents and students on 20th January, with parents evening on 3rd February, ahead of the options deadline.

Also a big congratulations to 8SI for winning the girls interhouse, and 8PO for winning the boys interhouse. We look forward to more fierce competition during the next round of interhouses in December!

And finally, congratulations to all students who represented the school in recent football, netball and cross country events!

Together, we can make a difference!

Year Group News Continued...

Year 9 Update continued

Year 9 have made a superb start to their GCSE courses so far this year. Students are flourishing across their subjects and have truly risen to the challenge of more demanding content and higher expectations.

Our first round of assessments has now taken place, and I am delighted to say that students performed well. Just as importantly, they have engaged maturely with their feedback lessons, reflecting carefully on their strengths and next steps, and thinking about where they currently are in their GCSE journey.

This is a fantastic foundation to build on. I am incredibly proud of the effort and resilience Year 9 have shown so far, and we look forward to celebrating their many successes and achievements still to come throughout the rest of Year 9.

Year 10 Update

This term hs been exciting for Year 10. We won our first football match against SJB for the first time in 3 years, a fantastic result for the boys. We also had the delight to go to West Wittering as part of the Geography Filed trip where pupils learnt first hand how to measure wave frequency and groynes. We have our second fixture against Winston in a couple of weeks, and the pupils are looking forward to a productive and thought provoking Parents Evening.

Year 11 Update

Year 11 have been busy completing their mock examinations this half term, giving them an important opportunity to experience formal GCSE exam conditions, put their revision into practice and identify areas they need to focus on ahead of the summer. Students will also take part in a mock GCSE results day in December, giving them an insight into what to expect when they receive their actual results in August.

We hope students have found this experience useful and recognise the importance of using their mock results to help them identify their next steps and areas for improvement.

A reminder to parents and carers that punctuality is really important as we move closer to the summer examinations. Students must arrive at school on time so that they are settled, prepared and ready for a prompt start to the school day and their exams. Thank you for your continued support.

HOE VALLEY SCHOOL • EUROPEAN DAY OF LANGUAGES

SECOND PLACE • Year 7 Languages Unite Competition

CONGRATULATIONS

THOMAS CHUNG 7 AN

We loved the use of "Community", a great link to one of our CIRCLE Values and recognition of the cultural diversity of the HVS community.

LANGUAGES UNITE / YEAR 7

D&T/Food

As we come to the end of the first Key Stage 3 rotation in Design & Technology, I am delighted to share the fantastic progress our students have made.

Our Year 7 students are currently putting the finishing touches on their pine block heads and bespoke retail packaging. Throughout this rotation, they have been introduced to a wide range of workshop machinery and hand tools. I have been highly impressed by their ability to use this equipment in a safe and controlled manner, as they all work diligently towards completing their health and safety passports.

At the same time, our Year 9 GCSE group has successfully finished their first major project of the year: manufacturing a pine footstool. This challenging build leads students through a range of advanced joinery techniques, including dowel joints and mitred joints. They have also learned how to use jigs to carry out repeated and highly accurate processes. To accompany the physical manufacturing of the footstools, students have had to work through a rigorous and challenging series of booklet tasks. This written work is essential for reinforcing their knowledge and solidifying their understanding of the practical techniques they have used in the workshop.

The accompanying photographs highlight the exceptional standard of work being produced across the faculty. The examples shown feature the wonderful Year 7 projects from Lexi and Mariam, alongside the brilliant Year 9 footstools crafted by Shaine and Katya. Well done to all involved!

READ ALL ABOUT IT!

— SUBJECT HIGHLIGHTS

Year 7 RE – Bringing Biblical Stories to Life

Year 7 students have been bringing their RE lessons to life through role plays of biblical stories. Working together, students have been recreating key events and exploring the messages and teachings behind them. These activities have encouraged students to think more deeply about the characters, the choices they made and the lessons that can be learnt from their experiences.

By stepping into the shoes of different characters, students have been developing their understanding of Christian beliefs and values, while also building their confidence, creativity and teamwork skills. It has been fantastic to see students engaging so enthusiastically with the stories and using their imagination to explore important themes such as kindness, forgiveness and compassion.

HOE VALLEY SCHOOL • EUROPEAN DAY OF LANGUAGES

THIRD PLACE • Year 7 Languages Unite Competition

CONGRATULATIONS

SUFIAH BEMMER
7 PO

We loved the visual impact of your poster.

LANGUAGES UNITE / YEAR 7

Year 9 Geography – Global Development

Year 9 students have been exploring global development, investigating why some countries are wealthier than others and the challenges faced by people living in developing nations. Recently, students have been putting themselves in the shoes of government decision-makers, considering how best to improve people's quality of life with limited resources.

From improving access to clean water and healthcare to investing in education and infrastructure, students have been weighing up difficult choices and deciding which improvements should take priority. These activities have encouraged some excellent discussions, helping students to appreciate that tackling global inequality is far from straightforward and that decisions made by governments can have a huge impact on people's lives, both now and in the future.

Year 8 History – The First World War

Year 8 students have been exploring the events and experiences of the First World War, developing their understanding of one of the most significant conflicts in history. As part of their learning, students have taken part in classroom activities, including simulations of life in the trenches, helping them to appreciate some of the challenges faced by soldiers on the Western Front.

Students will soon have the exciting opportunity to see and handle genuine artefacts from the First World War. This hands-on experience will allow them to examine historical objects up close, ask questions and make connections between what they have learnt in the classroom and the experiences of those who lived through the conflict.

SPORTS UPDATE

Year 9 vs Woking High 22.9.26
After two quick goals after high time from Woking High, Alfie L managed to net two quick goals with less than 10 minutes to play to draw back level. A close and tight game, with the result reflecting the chances both sides had during the game.
MOTM - Alfie L. Score Drew 2-2

Year 11 vs BDB 24.9.26
Heading over to the new kids into the league, HVS started quickly with many chances. Two quick goals from Blessing set the way for the game after a spirited start from BDB. He rounded his hat trick later on, combining with goals from Tom and Kyle. Goal of the game goes to Joel, shooting from an outrageous 35 yards, into the roof of the net, a SCREAMER?

BDB got 1 goal back after HT, but HVS continued the pressure throughout the game to get a good start to the league
MOTD - Blessing. Score Won 8-1

Year 8 vs Woking High 29.6.26
First match of the season and it was a quick 2 scored by Woking. Not a chance that's phasing Tom P as he nets a cheeky chip followed by Praise's first to level it. Woking struck back with a third but the man the myth the legend Nana bags another 2 to make it 4-3 with the 3rd curling in like a Roberto Carlos freekick. Unfortunately, Woking equalised and despite a dominant final 5 minutes the game ended in a draw. Shoutout to double assist Jason. A very promising start to the year.
MOTM - Praise. Score 4-4.

Year 11 vs SJB 06.10.26
Welcoming the noisy neighbours to the fortress, it was a cagey start. Both teams finding their feet, quite literally with the bobbles. However, a spectacular free kick from Kyle, opened the scoring, before another well worked team goal to make it 2-0 going into half time. With the game opening up, as SJB started to chase, Vince scored a tap-in from a well worked team goal, before Kyle concluded a hat-trick once again with a side foot finish into the side netting. Tom makes up once again for a previous shocker of a miss to make it 5-0, before a sensational free kick from SJB gives them a consolation goal.
MOTM - Kyle. Score 5-1 W

COURTESY ○ INTEGRITY ○ RESILIENCE ○ COMMUNITY ○ LEADERSHIP ○ ENTHUSIASM

SPORTS UPDATE CONTINUED...

Year 8 Girls Football Tournament @ Winston 06.10.2026

The Year 8 girls represented the school brilliantly at the tournament hosted by Winston School, finishing with one win, three draws and two defeats. Goals came from Leela Hussain, Ava O'Grady and Orkida Kastrati.

The girls battled hard throughout, showing great teamwork, determination and resilience. With matches lasting just seven minutes, quick transitions between attack and defence proved challenging, but the team made life difficult for their opponents.

Ava O'Grady was named captain and led the group excellently, using her footballing knowledge and experience to support her teammates.

All the girls should be incredibly proud of their performances and look forward to building on this experience in their upcoming fixtures and tournaments.

Year 11 vs Woking High 7/10/26

A must win game for the boys, welcoming Woking High a day after a big win vs SJB. A sloppy and slow start, tired from the efforts the day before, Woking High broke the deadlock with a well worked goal. Hoe Valley kept battling, winning duels and trying to play, which rewarded a goal just before half time, from yes you guessed it, Kyle. Chances for both teams, on a cold wet autumnal evening, the ball gets played nicely between the midfield, and through goes Blessing to slot one past the keeper, elation! Woking High have a good set of chances, but a clattering challenge on Kyle gives another opportunity with 5 minutes to go. He strikes it, and sends it right into the top corner, with one of the best free kicks I have ever seen from a school team. We hold out for the win, against an increasingly frustrated Woking High side.
MOTM - Kyle. Score 3-1 W

Year 10 vs SJB 13/10/26

The game was played with heart, soul, and where everyone worked for each other. The boys worked out the tactics well, after going 1-0 down just before half term. A tactical masterclass from Mr Gaisford in the second half, with Declan opening the scoring, with a sensational finish. Isaac then bundles one in from the corner. Reggie caps off an excellent second half with a well worked goal to make it 3-1 to the home team. The noisy neighbours leaving with their tails between their legs and rather quiet once again
MOTM - Isaac. Score 3-1W

BEE-LIEVE

Hoe Valley School has a partnership with The Bee-lieve Foundation and we are part of the Molly Project.

What is The Molly Project?

The Make a Difference for Molly Project is our way of honouring her life. It's about turning pain into purpose, and making sure other families don't have to experience the same heartbreak.
The Molly project is a schools-based initiative, designed to support children and young people with their emotional wellbeing, resilience, and self-belief.
We work with schools and communities to:

- Build resilience – giving children the tools to manage stress, setbacks, and change.
- Grow confidence – helping young people believe in themselves and their abilities.
- Support wellbeing – normalising conversations about mental health and teaching practical strategies to stay well.

Create safe spaces – ensuring every child knows they are not alone, and that support is always within reach.

Comedy evening at Woking Theatre on Jan 10th, this would raise around £3,500 for the Molly Project. Those attending will have a fabulous evening laughing along to nationally known comedians whilst helping sustain our work together in 2027-2028.

Bee-lieve in Laughter: A Night of Comedy Stand up | Sun 10 Jan 2027 19:30 | Woking Theatre | ATG Tickets

Tickets for the evening with Nigel Owens on 17th January at The Yvonne Arnaud Theatre in Guildford are also available by using the link below. This is an ideal evening for lovers of sport (rugby union in particular), or an interest in mental health and the world of TV, media and fame:

An Evening with Nigel Owens in support of Bee-lieve Foundation | Yvonne Arnaud Theatre

KOREAN CLUB

On 11th November, students in our after-school Korean Club headed into the food lab to cook up a delicious batch of traditional Korean ramyeon! Everyone had a fantastic time learning new culinary skills and enjoying their creations together. A huge thank you to Miss Salmon for her help in delivering such a fun and tasty session

STUDY GUIDE FOR MOCKS - YEAR 10 and 11

Free revision webinar for your Year 10 and 11 families

We're running our biggest event of the year, our free online webinar for students and parents: "The GCSE Revision Masterclass". Last year, we had over 2600 parents join us.

When: Tuesday 1 December, 7 to 8pm
Where: Online (link below to register)

Led by Harry and Joe, co-founders of The Degree Gap, the session will show families:

✅ How to use mocks as a starting point, not a verdict
✅ How to sort revision into red, amber and green
✅ What good revision looks like at home
✅ The early signs of burnout
✅ How to talk about revision without a row

It is a 30-minute masterclass followed by 25 minutes of live Q&A.

Register Here

Everyone who registers receives the replay and a free mock feedback sheet, even if they can't attend live.
Best wishes,

Harry and Joe

Co-Founders, The Degree Gap

CAUSEWAY EDUCATION

AVAILABLE OPPORTUNITIES FOR YEAR 13 STUDENTS AT HOE VALLEY SCHOOL:

💻 ONLINE WEBINAR: THURSDAY 3RD DECEMBER, 4.15-6PM ON ZOOM = THE APPLICATION MASTERCLASS WILL PROVIDE STEP BY STEP SUPPORT FOR THE SOLICITOR DEGREE APPRENTICESHIP APPLICATION, WHICH CAN BE USED GENERALLY FOR APPLICATION BUT WITH SPECIFIC WEDLAKE BELL EXAMPLES AND SUPPORT, AHEAD OF THEIR DEADLINE. THIS WEBINAR IS INTERACTIVE WITH BREAK-OUT ROOMS AND Q+A OPPORTUNITIES. STUDENTS ACROSS THE UK CAN APPLY FOR THIS OPPORTUNITY.

BOTH OPPORTUNITIES INVOLVE THE CHANCE TO MEET AND CHAT WITH THE EARLY CAREERS TEAM AT WEDLAKE BELL, AS WELL AS THEIR CURRENT SOLICITOR APPRENTICES WHO HAVE GONE THROUGH THE APPLICATION PROCESS SUCCESSFULLY.

DEADLINE FOR THE ONLINE WEBINAR EXPRESSION OF INTEREST: MONDAY 1ST DECEMBER, 5PM.

SIGN UP FORM WITH RELEVANT STUDENTS: HTTPS://FORMS.CLOUD.MICROSOFT/E/HJADTXSRSV.

Two ways to start your career at one of the world's biggest professional services firms: earn a degree while you work, or join an Entry Level programme.

APPRENTICESHIPS WEBINARS & WORKSHOPS

Click here for a series of informative webinars for **teachers**, **careers advisers, parents and carers** and **aspiring apprentices** that will provide an abundance of tips, advice, and information around the topic of apprenticeships and technical education.
Each webinar lasts between 30 – 60 minutes and takes place on Zoom. Participants are required to sign up before the session and will receive an email confirmation and a reminder an hour before it begins. The webinars are recorded and shared with all registrants after the session.

Amazing Apprenticeships

Inspire the Next Generation – Get Involved

Hoe Valley School has now been hosting a Careers Fair since 2024. It helps deliver inspiring encounters with higher and further education, apprenticeships and employees and employers. This all helps reinforce our aim as a school to raise aspirations, unlock potential and broaden students horizons regarding all the different options open to them in the future.

We are always looking for new and varied ranges of employers to participate in this activity. If as a parent you are interested in attending the next Careers Fair as an exhibitor, I would be delighted to speak to you. Please can you contact Sandra Cox at careers@hoevalleyschool.org.

UPCOMING WEBINARS

2nd December 2026 | 18:30 – 19:15

NavigATE: How to stand out in the apprenticeship application process

When it comes to applying for apprenticeships, it's not just about ticking boxes – it's about showing who you are and what you can bring to your future employer and their organisation. In this webinar we hear what employers say makes people stand out and share practical ideas on how to stand out for the right reasons.

BOOK NOW

Live Virtual Get Into Dentistry conference:

- Saturday 5th December from 9am - 1:30pm
https://dental-mentor.org/get-into-dentistry-conference-sign-up

All aspiring doctors and dentists in years 10-12 / S3-S5 / NI11-13 are invited to register.

These conferences offer tailored advice for medicine or dentistry, covering a range of crucial topics:

- Application Timelines
- How to Tactically Choose Medical/Dental Schools
- Personal Statements
- Medical School Interviews
-UCAT Entrance Exam to Medical & Dental School
- National Leadership and Awards Programmes
- Accessing Work Experience
- Accessing Scholarships

We encourage both students and parents to participate in these invaluable sessions.

Dentistry Registration Link: https://dental-mentor.org/get-into-dentistry-conference-sign-up

7th December 2026 | 16:15 – 17:00

T Levels: The Future of Health

Join this webinar to learn about the Health T Level and where it can lead. Discover how a Health T Level can provide a pathway to higher education, apprenticeships and a wide range of careers across the healthcare sector. Hear from Lucy Hunte, National Programme Manager at NHS England, about the value and impact of Health T Level industry placements and how they are helping to develop future talent for the NHS.

BOOK NOW

7th January 2027 | 16:00 – 17:00

Discover apprenticeships with Unilever

Whether you're a school leaver, looking for a career change, or simply curious about what it's like to work at Unilever, this webinar is for you. Hear insights into the structure and benefits of Unilever's apprenticeship programmes, how our apprentices contribute to the business and learn more about the recruitment process, including helpful application tips. This is a great opportunity to explore career pathways with Unilever, ask questions and find out how an apprenticeship could help you take the next step in your career.

BOOK NOW

12th January 2027 | 15:30 – 16:15

NavigATE: your termly update on apprenticeships and technical education

Join us for the second of three termly webinars, designed to keep anyone responsible for careers up to date on all things apprenticeships and technical education. We'll unpack the latest developments, walk through a timeline for the term and share ideas and resources you can use across key events and campaigns.

10th November 2026

Dear Parents/Carers

RE: CHRISTMAS HAMPERS & CHRISTMAS CARDS APPEAL – YEAR 7 & 8

We are delighted to announce that this year we will be organising another Christmas Hamper Appeal and also Year 8 will be designing Christmas Cards to send to the local residents.

We will be donating the Christmas hampers to the elderly who reside within our community in care homes. The homes we are donating to are Kingsley Care Home, Jackmans Lodge, Snowden Care Home and Woking Homes who were all very excited to hear that we are thinking of them at this special time of year.

Each Tutor Group in Year 7 will make, design and fill a hamper which will be delivered to the care homes within the last week of term.

There will be a house competition for the best filled, and best presented hamper. Attached is a list of ideas for items to go into the hampers.

Each Tutor Group in Year 8 will also design their own Christmas card to accompany the hampers created by Year 7. Students have already started decorating and filling their hampers and once finished, the hampers will be stored in a secure place until they are ready to be delivered.

Iam sure you will agree that this is a very worthwhile cause, and we look forward to seeing some lovely hampers and original Christmas Card ideas.

Yours sincerely

Mrs C Sweryt
Head of Community Enterprise

TRAINING COURSE

Parent & Guardian First Aid Virtual

Monday 18 Jan 2027 - 09:30 to 11:30

USEFUL INFO

Timings: Please ensure you are logged in at least 5 minutes before the start time.

Camera: Cameras must be on for the duration of the course.

Identification: Learners will need to provide photo ID to the trainer for certification purposes.

Breaks: Please ensure you have refreshments. There will be a short comfort break.

We will be running a FREE First aid course with Tigerlily training.

Monday 18th January 9.30am-11.30am online via Zoom

The First Aid Course will help parents feel more confident in a first aid situation. This course is suitable for parents, grandparents, or guardians. Tigerlily Training uses scenario-based training techniques, which are proven to maximise recall and provide learners with the skills, knowledge, and confidence to act effectively when paediatric emergencies arise.

We expect a high demand for places so preference will be given to families living in the Woking borough and that have children under 5 yrs old. Places are limited to one adult per household.

Families can register their interest by emailing wokingfamilycentre@barnardos.org,uk

© 2024 Tigerlily Training

HAF Holiday Activities &Food Programme

CHRISTMAS HOLIDAYS · WOKING

ThisChristmas,ourHolidayActivitiesandFood(HAF)programmeoffers eligible children and young peoplefreeopportunitiestostayactive,makefriendsandtrysomething new. Join us for Laser Tag and lunch, Football Camp or a Family Swim at our leisure centres in Woking.

1 Laser Tag & Lunch

Woking Leisure Centre

Take on three games of Laser Tag in the soft play arena at Woking Leisure Centre. After a quick briefing, children will use handheld phasers to dodge, hide and work together to score points. The session lasts one hour, with water and juice available throughout and lunch provided afterwards.

Please arrive at reception 5–10 minutes before your session and show your booking confirmation.

2 Football Camp

Eastwood Leisure Centre **Ages 8–15**

Join us at Eastwood Leisure Centre this Christmas holiday for a day of football for ages 8–15. Practise dribbling, passing and shooting with our coaches in the morning, then put those skills into play in an afternoon tournament.

All abilities are welcome. It's a chance to build confidence, meet other players and get plenty of time on the ball.

3 Family Swim & Lunch

Eastwood Leisure Centre

Bring the family to Eastwood Leisure Centre for a Club4 Family Swim this Christmas holiday. Spend time together in the pool, have a splash and help children build confidence in the water at their own pace. Parents and carers can get in the water and join the fun.

Bring swimwear and towels for everyone swimming. Show your booking confirmation at reception and the team will direct you to the changing rooms.

Free for eligible HAF families
