# How do I use Google Classroom now that I am signed in?

THIS PAGE EXPLAINS HOW TO USE THE DIFFERENT SECTIONS OF A GOOGLE CLASSROOM

Once you have been given your class code to join click the + sign, select the Join Class option, enter the class code

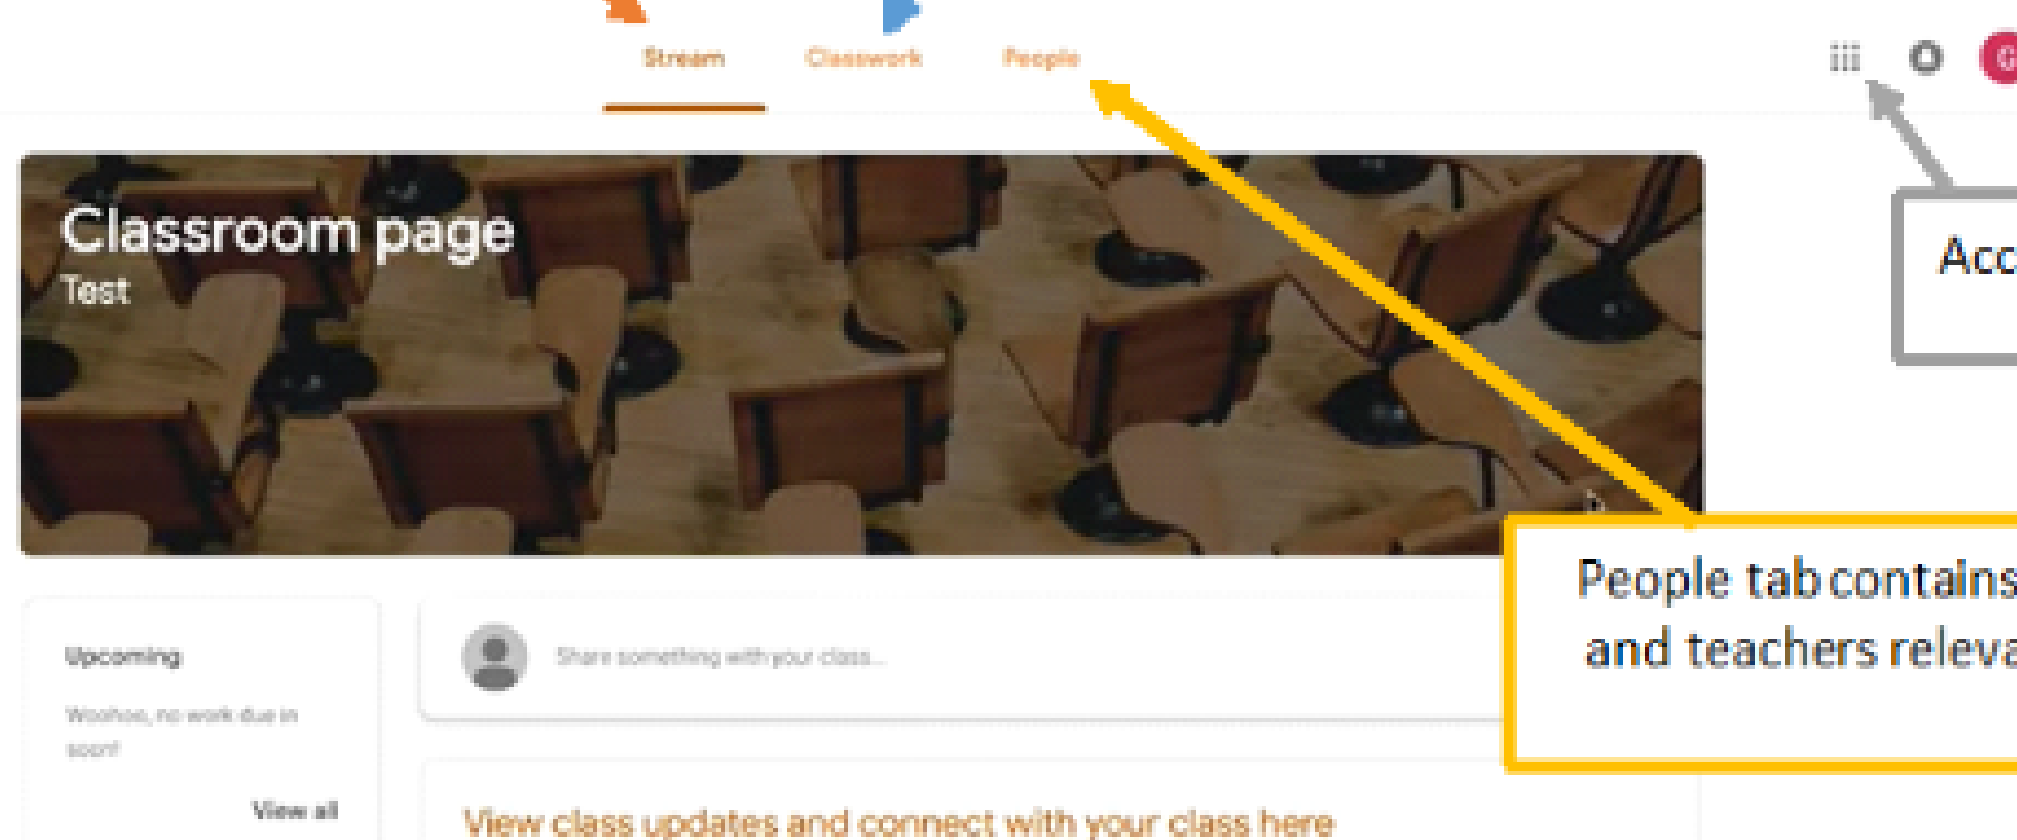

Classwork tab allows teachers to organize assignments into modules and units.

This frees up the Stream section to be used purely as a discussion board and should reduce clutter for both students and teachers

Stream tab contains all posts in chronological order from newest to oldest.

Access to other Apps

People tab contains all the students and teachers relevant to that class.

## How do I access other areas of Google Classroom?

Students, when you are signed in, you will see other classes that your teachers have created.

Click "**menu**" to access other areas of classroom.

This is where you can navigate to any of your classes that you have joined.

Click "**join**" to add yourself to a class.

When you are in a classroom:

Click "**calendar**" to see your class calendars.

Click "**settings**" to change your profile photo or password.

Click "**work**" to see your work for a class.
