Head Teacher Ms P Alford

Dear Applicant,

Thank you for your interest in Hoe Valley School.

The directors and leadership team are delighted to have created a new, high performing, oversubscribed secondary school in Woking, which is in its second year of operation. We are now ready to increase our team for our third cohort of students, and are looking for individuals who can bring their enthusiasm, commitment and creativity to bear to build on and enhance the excellent foundations we have established.

All new recruits will have a vital role to play in working with their Heads of Faculty and faculty colleagues to develop and enhance the curriculum in their subject areas. This is a rare opportunity for individuals with vision and ambition to have a key role in shaping a new school.

This site will give you a good understanding of the skills and competencies we are looking for in building talent within our school. If you believe you are suited to one of our vacancies, please complete the application form and upload it on this site or you can return it to the school at the above address. Please note that CVs will not be accepted as applications.

Your personal statement must relate to the relevant job specification and be personalised to meet the objectives of the school. Please also check that you have given details of your referees, one of whom should be your current or most recent employer, and another should be someone who is able to comment on your performance at work from a position of responsibility, not as a peer.

We look forward to hearing from you and finding out how you can contribute to the school's future success. Thank you very much for your time and we wish you every success with your application.

Yours faithfully

Lynne O'Reilly
Chair of Governors
