I agree to members of staff administering medicines, first aid and emergency treatment to my child as directed below or in the case of an emergency, as staff may consider necessary.

I understand that I must ensure the medicine is taken to the school admin office and handed to a member of staff on arrival at school. I agree that it is my responsibility that the medication is collected at the end of the school day if it is required at home. I accept that this is a service which the school is not obliged to undertake.

I recognise that school staff are not medically trained.
