

Hoe Valley School

Year 8 Curriculum Overview A Guide for Parents 2021 - 2022

Inspiring a Love of Learning

HOE VALLEY SCHOOL

Address: Egley Road, Woking, GU22 0NH
Office Tel: 01483 662627
Email: info@hoevalleyschool.org
Web: www.hoevalleyschool.org
Head Teacher: Mrs J Davies

Dear Parent / Carer,

This booklet will provide you an overview of Hoe Valley's Programmes of Study for Year 8 2021-22, and will outline the ways in which you can support your son/daughter in achieving their full potential in each of their subjects over the course of the year.

Year 8 is a key year in our students' academic lives as this is the year they'll be choosing their GCSE preferences. Our focus continues to be on ensuring students are studying a broad range of subjects and are applying their skills to the wider world. We will be working closely with you and with students to ensure that the GCSE preferences process goes smoothly and to ensure our students are making wise and informed decisions. Our Year 8's will experience a GCSE taster day on Tuesday 18th January 2022 and we will hold a remote options evening on Wednesday 26th January 2022. These opportunities will hopefully provide a greater insight into each subject and guide our students to make appropriate choices for their future.

More information on the principles which underpin the Key Stage 3 curriculum is available on our website or in the School's curriculum policy. There is also further information on our pathways for our higher attainers, students with a specific learning need or those who speak English as an additional language.

We hope your child will enjoy working their way through this challenging, relevant, exciting and personalised curriculum with the ultimate aim of being ready to start their GCSE preferences in September 2022.

Yours sincerely,

Mr Collins
Head of Year 8

Core Subjects

- English
- Maths
- Science

English

“Today a reader, tomorrow a leader”

Subject Lead: Ms Taylor-Wareham

Useful Websites:

<http://www.bbc.co.uk/education/subjects/z3kw2hv>

Below are a selection of games and resources for all aspects of literacy:

<http://www.vocabulary.co.il/>

<http://www.softschools.com/>

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Power and Conflict poetry	Gothic literature	Descriptive and Narrative writing
Skills Focus	Language & structural features, text analysis	Context, Language analysis, approaching an unseen text	Technical accuracy – SPAG; functional writing
Assessment	Comparison analysis question	Fiction analysis	Writing assessment
2nd Half: Topic	Shakespeare: What makes a tragic hero?	The influence of the Media	Modern novel analysis (The Woman in Black)
Skills Focus	Quotations & references, inferences, text analysis	Form, purpose, language features, comparison skills	Quotations & references; deduction & inferences; analysis of language and structure.
Assessment	Reading assessment	Non-fiction analysis	End of Year examination

What three things should I be doing to support my child at home?

1. Encourage them to read their current reading book for at least two hours a week and talk to them about their opinion on the writing
2. Encourage them to read non-fiction articles/publications that interest them
3. Read and discuss the viewpoint of the person writing. What is their message or viewpoint? Is it one-sided or balanced?

Maths

“Every problem has a solution!”

Subject Lead: Mrs Stapleton

Useful Websites:

www.corbettmaths.com

www.mathsgenie.co.uk

www.dr frostmaths.com

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Number Transformations	Real-Life Graphs, Decimals & Ratio	Straight-Line Graphs Percentages, Decimals, Fractions
Skills Focus	Add, Subtract, Multiply, Divide Rounding, Significant Numbers & Estimation Powers, Roots and Index Notation Factors, Multiples & Primes Negative Numbers Transformation of shapes using reflection rotation, symmetry, enlargement and translation	Using Conversion Graphs Distance-Time Graphs Line Graphs Interpreting Real-Life Graphs Curved Graphs Ordering & Rounding decimals Calculating with decimals Ratio and proportion with decimals	Straight Line Graphs including: $y = mx + c$ Gradient Equation of the Line Equivalent Fractions Compare Fractions, Decimals & Percentages One number as a percentage of another Percentage of an amount
Assessment	Unit Assessment	Unit Assessment	Unit Assessment
2nd Half: Topic	Statistics, Graphs & Charts Expressions & Equations	Lines & Angles Calculating with Fractions	Percentages, Decimals & Fractions End of Year revision
Skills Focus	Averages & Range Pie Charts, Two-way Tables, Frequency Tables Grouped and ungrouped data Stem & Leaf Diagrams Comparing Data Scatter Graphs Simplifying & factorising expressions Forming & Solving Equations	Quadrilaterals Angles in parallel lines Interior & Exterior Angles in Polygons Ordering fractions Multiplying Fractions Fractions, Decimals & Reciprocals Dividing Fractions Mixed Numbers & Improper Fractions	Continuation of Percentages, Decimals & Fractions End of Year Revision
Assessment	Unit Assessment after each unit	End of Term Test (3 Units) Unit Test	End of Term Test End of Year Exams

What three things should I be doing to support my child at home?

1. Encourage them to look at examples or previous questions.
2. Practise core skills such as multiplication and times tables
3. Question them, ‘How do you think you could Solve the problem?’ ‘What happens if you try that?’ ‘So what could you try next?’. (It’s okay for them to make mistakes).

Science

“Discover the unknown, create the future”

Subject Lead: Miss English

Useful Websites:

BBC Bitesize - KS3 Science:

<http://www.bbc.co.uk/education/subjects/zng4d2p>

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Mixtures and The Atom	Waves	Consolidation and Exam Preparation
Skills Focus	To be able to apply and understanding of atoms, molecules, compounds and elements, to chemical processes and the structure of the periodic table	To be able to describe the properties and behaviour of sound and light, and how humans use and manipulate them as waves.	Revision Skills
Assessment	End of topic test, extended response questions & weekly prep tasks	End of topic test, extended response questions & weekly prep tasks	End of topic test, extended response questions & weekly prep tasks
2nd Half: Topic	Respiration	Reactions	Photosynthesis
Skills Focus	Be able to apply the different word equations for respiration to biological processes and the characteristics of living things.	To be able to form and balance symbol equations and describe and explain chemical changes.	To be able to explain the importance of the photosynthesis equation to all life on Earth.
Assessment	End of topic test, extended response questions & weekly prep tasks	End of topic test, extended response questions & weekly prep tasks	End of topic test, extended response questions & weekly prep tasks

What three things should I be doing to support my child at home?

1. Sharing with them anything you read in the papers related to Science
2. Encourage your child to watch documentaries in Science e.g. Horizon
3. Ensure they are engaged in active revision for assessments i.e. creating revision materials to help them learn and not just reading

Other Subjects

- Computer Science
- Creative Arts
- Drama
- French
- Geography
- German
- History

Computer Science

"Challenge yourself, challenge the boundaries, challenge the future"

Subject Lead: Mr Cummins

Useful Websites:

www.w3schools.com

www.python.org

www.bbc.co.uk/education (both KS3 and GCSE pages)

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	How a Computer Works/ Computing History	Databases	Flowol
Skills Focus	Identify a few key points in the development of computers. Understand some of the hardware components, software programs that are used. Understand what the internet is and how cloud technology is being used as well as knowing what a computer network is.	The purpose of databases. The main components of a database, data types. Creating queries with search criteria and creating forms and records.	Understand control systems and about the impact they have on our lives. Flowol and Flow Chart Symbols. Model behaviour of physical systems with input, output devices and motor devices.
Assessment	Knowledge based assessment	Knowledge based assessment	Assessed program
2nd Half: Topic	Chess	Graphic Design	Python & Boolean Logic
Skills Focus	Different types of thinking skills. Rules of fair play. Basics of Chess. Chess notation and the need for self evaluation Opening moves. Mid game and end game strategies.	Create magazine covers learning how to manipulate images, shapes and text in graphic design applications.	Understand variables, declaring the appropriate data types for variables created. Understanding the need for selection statements to make a decision. Creating iteration loops of code within programs.
Assessment	Knowledge based assessment	Assessed program	Knowledge based assessment

What three things should I be doing to support my child at home?

1. Encourage your child to visit the websites below and complete any tasks and activities that are available
2. Ask your child what they have been learning during their Computer Science lessons and to explain any Computer Science terms to you even if you already know them! An example of a question could be 'what does CPU stand for and what does it do?'
3. Explore google classrooms together and encourage students to respond to the questions and comments posted by teachers

Creative Arts

“ Make your mark”

Subject Lead: Ms Brooks

	Art	Textiles	Design Technology	Food
1st Half: Topic	History of Art	Misfits	Gadget Holder	Healthy Eating
Skills Focus	Pop art, post impressionism, renaissance and surrealism. Working with a range of mediums.	Empathy, User Centered Design and pattern adaptation	Use of a range of workshop tools, marking out, measuring and cutting accurately, different types of joint	Use of the hob, use of the oven, safe and accurate knife skills
Assessment	Tonal drawing	Designs for Misfits	Knowledge Assessment	Practical and written assessment
2nd Half: Topic	History of Art	Misfits	Vacuum Formed Mirror Frame	Nutritional Needs
Skills Focus	Cubism, contemporary art, street art and political art. Working with a range of mediums.	Hand-sewing, Sewing machine skills, problems solving and cutting fabric and applique	Design development, accurate and safe use of cutting tools, use of a vacuum former	Recipe adaption, work with pastry, developing consistency in presentation
Assessment	Personal piece based on chosen style	Completed Misfit	Final piece - vacuum formed mirror frame	Knowledge assessment

What three things should I be doing to support my child at home?

1. Having some scrap fabric, a needle & thread will help your child to practise their hand embroidery work at home. There are a variety of Youtube videos showing further stitches.
2. The ability to use 2D Design and Sketchup. A free version of Sketchup can be used online to practice these skills in Design Technology.
3. Encourage them to practise observational drawing in a sketchpad.

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Jumpstart Drama	Our Day Out: Script Genre: Popular culture Improvisation	Melodrama and Silent Movies: Costume and props
Skills Focus	Staying in role, Staging, Cross-cutting, Comedy, Naturalism, Confidence & Creativity	Comedy, Characterisation, Contrast, Script work, Styles of Melodrama and Naturalism	Style- melodrama, Comedy, Physicalisation, Timing, Slapstick, Characterisation, Design - costume/ props
Assessment	Create, perform and evaluate	End of topic— Script: Rehearse, perform and evaluate	End of topic: Create, perform, evaluate
2nd Half: Topic	Horror genre: Murder mystery	Issue based: Theft	The Island: End of year project
Skills Focus	Genre, Hot-seating, Imagination, Mime, Physical Theatre, Still images, improvisation, Physical skills, Vocal skills, Improvisation, Confidence, Creativity & Mime	Theft: Improvisation Accountability Peer-pressure Staging	Co-operation, Confidence, Communication, Creativity, Leadership, Problem-solving, Devising
Assessment	End of topic: Rehearse, perform, evaluate	End of topic: Rehearse, perform, evaluate	End of topic: Rehearse, perform, evaluate

What three things should I be doing to support my child at home?

1. Participate in school production - performer, musician, designer, backstage crew or attend Drama club from Spring Term
2. Watch as much Live Theatre as possible
3. Consolidate Drama language/terminology when watching TV/film

French

“ Confident, effective, global communicators”

Subject Lead: Mrs Connell

Useful Websites:

www.atantot.com

www.languagesresources.co.uk

www.wordreference.com

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Travel and Tourism. Learning about different countries and describing holiday activities. Talking about and planning an ideal holiday. Take part in role play scenarios. Meet the Foreign Language Assistant for French.	My family and my life. Talking about daily routine and activities that you do with your family. Describing a typical day in the life of a famous person.	My town and local area. Describe your home and local area. Think about how you would improve your local area if you could. Design your ideal home.
Skills Focus	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation
Assessment	Regular vocabulary quizzing. In class testing of listening and reading.	Regular vocabulary quizzing. Reading and translation into English.	Regular vocabulary quizzing. Listening, Reading, Writing. Informal speaking with FLA.
2nd Half: Topic	Healthy lifestyles. Learning about healthy lifestyles and identifying how to stay healthy. Devising tips to keep a friend healthy.	My free time, with a focus on the past tense. Talking about hobbies and interests that you have taken part in and describing a past weekend.	Recap and Revision. Film Project - we will study a French film linked in with the topics we have covered this year.
Skills Focus	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation
Assessment	Regular vocabulary quizzing. In class testing of listening and reading.	Regular vocabulary quizzing. Reading and translation into French.	Regular vocabulary quizzing

What three things should I be doing to support my child at home?

1. Test vocab regularly via www.quizlet.com—every student has been assigned a class
2. Watch French t.v. or French films with subtitles in English and listen to the French radio; www.radiofrance.fr
3. Encourage your child to us www.linguascope.com to practise new vocabulary

Geography

“Geography is the subject which holds the key to our future” - Michael Palin

Subject Lead: Mr MacCarron

Useful Websites:

- www.bbc.co.uk/education/levels/z4kw2hv
- www.cia.gov/library/publications/the-world-factbook/
- www.gapminder.org

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Weather and Climate: How does Wild Weather Affect People?	Ecosystems, biodiversity and management	Development and Revision
Skills Focus	Interpreting and drawing climate graphs. Explanation of causes of weather and evaluation of responses.	Describing the distribution and location of global ecosystems, focusing on tropical rainforests and deciduous woodlands as comparative case studies.	Measuring development, how can development change over time, Sustainable Development Goals
Assessment	End of topic assessment	End of topic assessment	End of topic assessment
2nd Half: Topic	Climate Change: What is the Earth's future?	Urbanisation	Africa and Asia
Skills Focus	Examination of evidence for and causes of climate change, case study on the Antarctica	Research into why urban areas grow and the sustainability - the resources available and to whom.	Synoptic approach to Geography. Considering how physical and human features work together to impact named examples.
Assessment	End of topic assessment	End of topic assessment	Summer Exam - range of topics from the year examined.

What three things should I be doing to support my child at home?

1. Encourage them to keep up to date with, and on top of their prep, which is set once a week. Encourage them to seek help in person if they are stuck, or directly to their teacher on Google Classroom
2. Encourage your child to check their work (including key spellings, punctuation etc.) and respond to the feedback in their Geography book (answering questions and correcting mistakes). This is the best way for them to develop their skills and progress in the subject
3. Watch the news with your child. Keeping up to date with developments in a variety of countries around the world will help them improve at Geography. You could also watch some of the many interesting documentaries and have an engaging discussion about the content.

German

“ Confident, effective, global communicators”

Subject Lead: Mrs Boniface

Useful Websites:

<https://quizlet.com>

<http://www.languagesonline.org.uk/>

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	<p>Ich stelle mich vor! Celebrating Languages spoken at home. Introducing myself - name, age, birthday, likes, dislikes. Numbers 1-30 Finding out about children's festivals in Germany. Meet our Foreign Language Assistant for German. Begin to learn and apply rules of German grammar.</p>	<p>Freizeit macht Spaß! Talking about hobbies and interests. Finding out about famous German speaking sportsmen, sportswomen and role models. Finding out about music in the German speaking world.</p>	<p>Essen und trinken Talking about food and drink, likes and preferences. Finding out about cultural differences and German cuisine. Sampling and creating typical German dishes (joint MFL and DT project)</p>
Skills Focus	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation
Assessment	Low stakes vocabulary testing and grammar quizzing in class / via Google Form.	Low stakes vocabulary testing and grammar quizzing in class / via Google Form.	Listening and Reading assessment. Writing assessment. Translation of key phrases.
2nd Half: Topic	<p>Meine Familie Introducing and describing my family members, pets and my friends. Using adjectives of personality and appearance. Learn how to describe Role Models from the German speaking world Weihnachten in Deutschland. Research into Christmas traditions in Germany. Take part in a virtual exchange project with our partner school and prepare a class parcel to exchange with the German school.</p>	<p>Guten Appetit! Ordering food in a café / shop / restaurant. Developing role play scenarios and devising the perfect menu. Finding out about (and sampling!) typical dishes from the German Speaking World.</p>	<p>Berlin Learn about the beautiful city of Berlin, as well as its history as a backdrop to teaching the past tense. Discover German architecture, German role models and opportunities in the German speaking world.</p>
Skills Focus	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation	Listening, reading, speaking and writing. Translation
Assessment	Writing assessment Speaking assessment with FLA.	Listening and reading via Google Form. Respond to 4 bullet points in writing.	Speaking assessment

What three things should I be doing to support my child at home?

1. Test vocab regularly via www.quizlet.com - every student has been assigned a class
2. Watch German films with subtitles in English
3. Encourage your child to use www.linguascope.com

History

“ The more you know about the past, the better prepared you are for the future.” - Theodore Roosevelt

Subject Lead: Mrs Urban-Marks

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Why did the World go to War? WW1 WW1: Causes, key events and consequences	What happened during the Russian Revolution? Falling of the Tsars, 1917 Revolution and the Rise of Stalin	To what extent is America the “Land of the Free”? Slavery in the Americas and Civil Rights Movement
Skills Focus	Causation - looking at sources and understanding why events happened.	Significance - understanding the impact of key events on the world around us.	Interpretation - looking at different sources and coming to a conclusion.
Assessment	Explain Why Knowledge Quiz	Narrative account Knowledge test	Source Inference Explain why
2nd Half: Topic	Why did the World go to War? WW2 WW2: Causes, key events and consequences Holocaust	Herstory - How has the role of Women Changed?	How did Crime and Punishment Change Over Time? Anglo-Saxon - Modern Policing
Skills Focus	Significance - understanding the impact of key events on the world around us.	Change and Continuity - seeing how things can change over time	Change and Continuity - seeing how things can change over time.
Assessment	Analytical Narrative Knowledge Quiz	Inference Consequences	Project based work Describe two features

What three things should I be doing to support my child at home?

1. Encourage them to keep up to date with, and on top of their prep, which is set once a week. Encourage them to seek help in person if they are stuck
2. Encourage your child to check their work (including key spellings, punctuation etc.) and respond to the feedback in their History book (answering questions and correcting mistakes). This is the best way for them to develop their skills and progress in the subject
3. Read with your child. Developing their literacy is one of the quickest ways to improve their work in History.

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Drumming	Guitar Skills/Song-writing	Fur Elise
Skills Focus	Rhythm and coordination skills: putting together a piece of percussion music using different sounds	Putting together a chord sequence to prepare for independent project	Keyboard skills: Reading pitch and rhythmic notation accurately Hands together playing
Assessment	Performance	Performance	Independent performance of Fur Elise
2nd Half: Topic	The Blues	Dance Music	Keyboard skills: The Four Chord song
Skills Focus	Keyboard skills: playing different parts to include elements of music	Playing in time to a backing beat. Features of modern dance music.	Applying term 1 skills to arrange a new piece as a group using a variety of chords, songs and including singing.
Assessment	Composition	Composition	Performance

<http://www.getsurrey.co.uk/whats-on/surrey/theatre/anytime/>

What three things should I be doing to support my child at home?

1. Encourage students to attend extra-curricular activities
2. Go to see a live music performance
3. Describe your response to music that you hear; try to pick out what creates the feeling.

Physical Education

“It’s all about the journey, not the outcome”

Subject Lead: Ms Mertens

Useful Websites:

www.activesurrey.com

<https://www.bbc.com/bitesize/examspecs/ztrcg82>

<http://www.nhs.uk/change4life/Pages/change-for-life.aspx>

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	PE: Circle values Games: Fundamentals	PE: Physical health and well-being Games: Physical health and well-being	PE: Diet and nutrition Games: Diet and nutrition
Skills Focus	<p>The value of PE: Enthusiasm (Endball) Courtesy (Athletics) Integrity (Netball) Community (Football) Resilience (Hockey) Leadership (OAA) House competition</p> <p>Games: Fundamentals: Warm Up/Running and Speed Jumping and Lunging Throwing and catching Balance and body control Hitting and coordination Landing and turning House competition</p>	<p>PE: Health and fitness Anaerobic and aerobic exercise Heart rate Long term effects of exercise Components of fitness 2 House competition</p> <p>Games: Warming up Breathing rate Short term effects of exercise Components of fitness 1 Triple A assessment House competition</p>	<p>PE: Balanced diet Protein Fibre Water hydration Sugar House competition</p> <p>Games: Carbohydrates Fats Vitamins and minerals Calories and nutritional information Triple A assessment House competition</p>

Assessment

The 3 A’s = Actions (Hands), Attitude (Heart) and Awareness (Head)

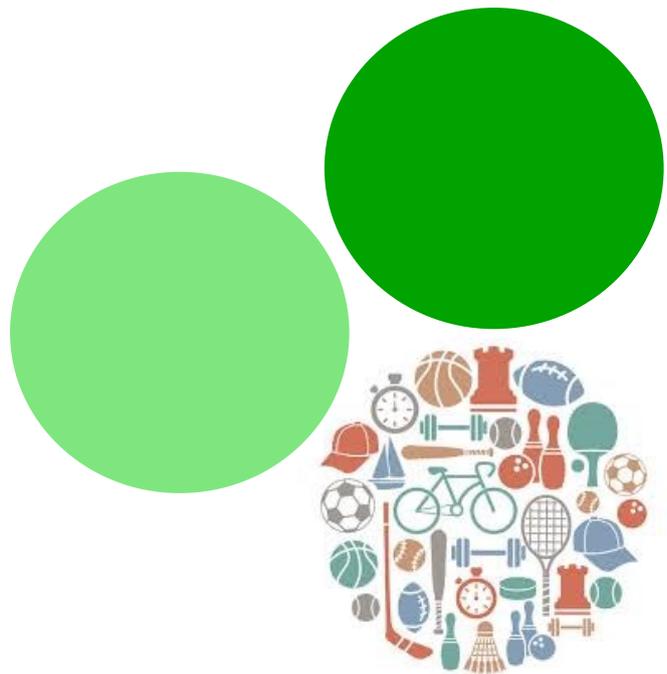

Hands: Focus on their practical ability in each physical activity

Head: The theory knowledge of physical activity but also the thought process behind making the right decision and thinking tactically and analytically.

Heart: The effort, respect, attitude and behaviour shown over the course of every lesson. This is linked to the HVS circle values.

Students are assessed at the end of each activity. We would expect students to become competent performers in all activities by the end of the year. Students will receive a GCSE level of Developing (1-3), competent (4), skilled (5), advanced (6-7), elite (8+)

Physical Education

	Autumn Term	Spring Term	Summer Term
2nd Half: Topic	PE: Mental health and well-being Games: Mental health and well-being	PE: Social health and well-being Games: Social health and well-being	PE: Tailored learning session Games: House competitions
Skills Focus	PE: What is mental health Anxiety Take a break Stay active Ask for help Friends of mental health House competition Games: Signs of mental health Depression Accept who you are Care for others Triple A assessment House competition	PE: What is social health The Importance of social health Respect for others Communication skills Unit summary House competition Games: Signs of social health Effective communication Being a good friend Social health and PE Triple A assessment House competition	PE: The class teacher will select key lessons that they feel the class need to focus their improvement on and re-address the learning. Games: House competitions
Assessment	The 3 A's	The 3 A's	The 3 A's

What three things should I be doing to support my child at home?

1. Ensure the correct kit is brought to every lesson and jewellery is removed before participation. Kit includes: PE: Polo shirt, White trainers, white socks, black shorts and jumper/hoodie/ Games: Games polo, Trainers and studs, mouthguard, black games socks, black shorts and jumper/hoodie. All students will be required to wear kit if they are in attendance at every PE and games lessons. Unless of course, where a student is excluded from PE and Games lessons and they are unable to get changed for medical reasons.
2. Encourage your child to attend enrichment clubs and an activity outside of school, use Active Surrey to help.
3. Encourage healthy eating and an active lifestyle

	Autumn Term	Spring Term	Summer Term
1st Half: Topic	Islam	Introduction to Philosophy	Pilgrimage
Skills Focus	An introduction to the key beliefs, values, practices and traditions of Islam, with an emphasis on the Five Pillars, life of Muhammed and the importance of the Qur'an. For each topic, students will focus on what they can learn about it, and what they can learn from it. Philosophical and ethical questions will be introduced.	An introduction to basic philosophical arguments, including utilitarianism, situation ethics and how these relate to religious ethics. These will be taught on the foundation of hypothetical case studies.	An exploration religious pilgrimages, across Christianity, Islam, Hinduism and Buddhism, considering the reasons pilgrims make these journeys, and what they gain from their journeys, spiritually and physically.
Assessment	Short quiz and an extended writing task	Short quiz and an extended writing task	Short quiz and an extended writing task
2nd Half: Topic	Islam	Afterlife	Festivals
Skills Focus	Continuation work from 1st Half Term topic	A study of the similarities and differences of different places of worship, focusing on the physical and symbolic aspects of their design and use. This module will include a project with elements of research.	An overview of several religious festivals, exploring the meaning behind the traditions, and how different religious believers practise these throughout the world. There will be a student-led research project.
Assessment	Short quiz and an extended writing task	Short quiz and an extended writing task	Short quiz and an extended writing task

What three things should I be doing to support my child at home?

1. Encourage them to discuss their responses and ideas about current affairs and what they hear in the news
2. Discuss different belief systems with your child; it is important to emphasise that it is possible to understand another point of view without having to agree with it fully
3. Engage with your child when they ask you 'big questions' about life, death and belief systems.

Spanish

“ Confident, effective, global communicators”

Subject Lead: Ms Duarte Lopes

What three things should I be doing to support my child at home?

1. Test vocab regularly via www.quizlet.com - every student has been assigned a class
2. Watch Spanish films or Spanish TV with subtitles in English
3. Encourage your child to use www.linguascope.com to practise new vocabulary

Community

“Unity is Community”

Subject Lead: Mrs Sweryt

The Community Agenda is one of Hoe Valley School’s founding principles, placing the school firmly in the heart of the local community and developing the school’s reputation.

From the moment of Primary school transition, our students are encouraged to foster and grow a sense of community within the school and are exposed to vibrant and exciting learning opportunities via links with the local area.

They will be encouraged to have a deeper understanding of their local area, such as in regards to local businesses, Woking Borough Council, charities, biodiversity; focusing on the variety of opportunities on their doorstep.

Lessons across all departments will promote the Community vision wherever possible and will deliver meaningful community development. Businesses will be invited to work with staff and students for the benefit of all those involved. This will be extended via the organisation of relevant trips, visits from relevant speakers and visitors, and enrichment programmes.

Links with Primary schools will continue to promote ongoing collaborative learning. This will support engagement in secondary school subjects and will be highly visible in the activities, events and enrichment activities that the students will take part in..

Year groups will be working with two charities per year to raise funds and awareness, promoting the charity within the Community and developing their local knowledge.

What three things should I be doing to support my child at home?

- 1) Encourage your son or daughter to participate in community events and take an active interest in how the local area works.
- 2) Help your son or daughter to explore outside interests and how that could be incorporated within their school work.
- 3) Identify local businesses that they have come into contact with and consider how they can support and promote them.
