3.2 Opportunities for access

A number of events, integrated into the school's careers programme, will offer providers an opportunity to come into school to speak to students and/or their parents/carers. The information in this careers plan is not intended to be exhaustive, and we are always open to considering new opportunities. Please speak to our Careers Lead to identify the most suitable opportunity for you.

3.3 Premises and facilities

The school will make Founders' Hall, Worton Hall, the Sports Hall and, classrooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Lead or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Careers Lead, who can make it available to students. Prospectuses are available to browse in the canteen area and are available to all students at lunch and break times.
