Recommendations from current Year 7s!

### **The Hunger Games by Susanne Collins**

My favourite book I have read this year is *The Hunger Games* by Susanne Collins. I really enjoyed reading this book because it really makes you understand how the character feels, it's full of surprises and the description is incredible.

### **The Boy in the Striped Pyjamas by John Boyne**

It's a very good book and I would definitely recommend it. It's quite a sad book but it's very interesting. There is a boy called Bruno and he moves from Berlin to Out-With. Bruno likes exploring but he thinks in his new house there is nowhere to explore, until he goes outside, through the woods and ends up at a large fence. He meets a new friend and after a while they decide that Bruno should dig a hole under the fence and go into the camp and see what happens there...

### **Max Einstein Saves the Future by Chris Grabenstein and James Patterson**

My favourite book I've read this year was called *Max Einstein Saves the Future*. I enjoyed this book because it was a mystery and it had lots of things happening in it. Also there were lots of different people from different cultures and countries.

### **Private Peaceful by Michael Morpurgo**

*Private Peaceful* is a book I read this year and the author is Michael Morpurgo. He has made many books which have surprised me until the end. The book interested me and will do the same for most readers.

### **Ben Braver by Marcus Emerson**

Ben Braver is a funny book about how Ben gains a super power and attends a super powered school. On his journey he has to fit in and make new friends but meanwhile there's suspicious activity and a virus around the school which seems to be taking over students...
