Friday 23rd June 2023

It has been another busy week here at HVS. Congratulations to our Year 9 Bronze D of E students who successfully completed their final expedition last weekend. A fantastic achievement.

We are so proud of Mr Kelly who completed his skydive on Sunday for The Bee-lieve Foundation. You can watch his skydive [here](#) - we are all very impressed with his bravery! HVS has so far raised £3,500 towards The Bee-lieve Foundation which is outstanding. The grand total so far with other schools is £20,000. We wish the best of luck to HVS staff who are taking part in a 10k run this weekend.

As part of their Biology curriculum, Year 7 spend a week in the summer term focussing on Biodiversity. As part of "Biodiversity Week" they were able to spend today at RHS Wisley learning about Biodiversity in practical settings. They have had a great time in the sunshine

This evening is all about our Year 11 students as we celebrate their Prom at Pyrford Lakes Golf Club. We wish them all a wonderful evening and look forward to seeing them all there.

Next Monday morning, students in Year 9, 10 & 11 will set sail to Paris for their MFL residential. We look forward to sharing updates on their adventures and hope they have an incredible time!

A reminder that the Creative Arts Exhibition is next Thursday 29th June from 5.30pm-7pm. We hope to see lots of you there.

With best wishes for a relaxing weekend.
Mrs Davies
