SIXTH FORM ADMISSIONS POLICY 2023-24**

HOE VALLEY SCHOOL SIXTH FORM ADMISSION ARRANGEMENTS FOR 2023-24

Hoe Valley School is a non-selective co-educational mainstream secondary school in South Woking.
-Our admissions policy reflects these aspirations.

Hoe Valley School will provide school places for young people aged 11 - 18 and the admissions arrangements for the Sixth Form intake to Year 12 are set out below.

Hoe Valley School is committed to straightforward, open, fair and transparent admissions arrangements. The school will act fully in accordance with the School Admissions Code (as revised in September 2021), the School Admissions Appeals Code and admissions law as they apply to academies.

ADMISSION CRITERIA

Places will be allocated in accordance with the following criteria:

1. Looked after and previously looked after children

Children who are in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989, e.g. fostered or living in a children's home, at the time an application for a school is made; and

Children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989 and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989); and

Children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care outside of England and left that care as a result of being adopted.

2. Children of individuals granted founder status

The individuals who have already been granted this provision by the Secretary of State are those who played a major role in establishing the school, undertaking activities during the application and pre-opening stages and who continue to play a significant role in the running of the school. A list of the individuals granted founder status is available on request from the school.

3. Students who are in Year 11 at Hoe Valley School

4. Children of staff at the school

Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff who is recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. External students from other schools in the UK or overseas

Any other applicant who does not qualify under priorities 1-4.

Tie-breakers

If the school is oversubscribed within any criteria, then places will be offered on the basis of nearness to the school measured in a straight line from the address point of the student's address, as set by Ordnance Survey, to the central point of the entrance to the School reception. This is calculated using the Admission & Transport Team's Geographical Information System.

Where two or more students share a priority for a place when using distance as a tie breaker, e.g. where two students live equidistance from the School, lots will be drawn to determine which student should be given priority.

In the case of multiple births, where students have equal priority for a place, Hoe Valley School will use random allocation to determine which student should be given priority. If after the allocation one or more places can be offered but there are not sufficient places for all of them, each student will be offered a place.
