

Valentino Schoolwear

'Parent's first choice for Schoolwear'

We would encourage all parents to complete the purchase of their school uniform with us as early as possible in the summer. In this way, we are able to manage supply of your uniform across the summer period, and place additional top up orders for any envisaged shortfalls (this is particularly important given the increased pressure on the supply chain for school uniform at present on account of Covid and Brexit considerations).

As a big thank you to our customers for buying early with us, we will again be providing our annual discount promotions during May/June!

Annual % Off Promotion – 2021: Online & In Store

15% OFF All School uniform purchases between 21st - 29th May 2021, with Discount code MAY15

10% OFF All School uniform purchases between 30th May - 13th June 2021, with Discount code JUNE10

All items will be subject to our normal returns policy, and sizing can be exchanged right up until schools open for the next school year.

In Store: Social distancing

We are back!

Our store reopened on the 12th April, operating social distancing measures alike to last year. This includes the same measures that we have been implementing since the start of the pandemic, namely:

- * Limiting customer numbers in store;
- * Use of face masks and protective equipment in store (subject to any health restrictions);
- * Hand sanitising stations throughout the store;
- * Additional cleaning measures, and sanitising of all surfaces; and
- * Social distancing systems including a one-way system to enter and exit our stores, as well as socially distanced queuing systems outside our stores.

If you have any questions reference any of the above please do not hesitate to contact us.

Thank you for your continued understanding and support during this time.

Valentino Schoolwear, Knaphill.
