OPEN  MUSIC

Introducing 'Open 2 Music' at Hoe Valley

'Open 2 Music' is an instrumental music service which has provided tuition in schools since 2007 and we have supported the music department at Hoe Valley since 2016!

Why learn to play music?

"Playing music builds motivation and self-esteem"... "Music education helps young people feel inspired"... "Learning music builds skills for the future"... "Music lessons foster well-being"... "Research suggests children who play music do better in school and life"

Is your child interested in learning to play an instrument?

Many children would like to learn to play an instrument, however parents are not always sure where to go to find a teacher and they want to make sure their child will like it before making a commitment to pay for lessons!
